Sir:

In response to the Election of Species Requirement dated September 28, 2007, Applicants elect 2, 7-bis(4-methyldiphenylamino)-9,9-dioctylfluorene in Example 2 at page 12 of the specification for examination on which Claims 1-14 are readable. The Examiner believes that Claim 1, for example, is generic.

A Petition and payment for a one month extension of time are being filed herewith, making this Response due on or before November 28, 2007.

Applicants submit that if any of the elected claims is found to be allowable, claims dependent therefrom should similarly be considered allowable in the same application.
